

Degree in Three: Fast-Track Your Potential

Highly motivated working professionals have the opportunity to complete their MBA in just three years without sacrificing quality or comprehensiveness, thanks to the Evening UST MBA “Degree in Three” plan at the University of St. Thomas Opus College of Business.

The Degree in Three plan allows students to fast-track their studies, taking classes in the summer and January terms as well as the traditional fall and spring semesters. In addition to earning the credential faster, students enjoy increased connectedness and continuity among courses.
