Did you know that the Catholic Church has over twenty different “Rites” or ecclesial traditions of celebrating the Eucharist and other sacraments? Each of these Rites expresses the profound mysteries of faith through signs and symbols that speak meaningfully to peoples of various cultures and traditions. Unfortunately, many

Catholics are unaware of the rich diversity that makes up the Catholic Church.

Students are invited to explore this fall the richness of the Catholic Tradition through the celebration of the Eucharist, the Divine Liturgy, as expressed in the Byzantine and Maronite traditions. Experience the wonder and beauty of the Catholic faith!

All are welcome to these liturgies! Participants will carpool from the St. Paul campus to each site and participate in the liturgies as a group. Students will learn more about the various churches that form the Catholic Church, perhaps offering a greater appreciation for the Catholic Tradition.
