

### Public Safety Offices

The Public Safety Office on the St. Paul campus is located on the first floor of Morrison Hall. Please use the north door for entrance. The Minneapolis Campus Public Safety office is located in Opus Hall on the second floor.

### Parking Services

The Parking Services Office, a division of the Public Safety department, is located at 2119 Grand Avenue, St. Paul. This office handles all parking questions, issues parking permits, takes requests for special event parking, sells Metro Transit bus passes, and processes UST parking tickets and appeals. These same services are available at the second floor Public Safety Office in Opus Hall (MOH 203) on the Minneapolis campus.

Parking lots on the St. Paul Campus are open to vehicles with the appropriate UST parking permit. Faculty, staff and students must have a permit to park on campus.

Visitors to the University of St. Thomas, St. Paul Campus, may park in the Morrison Hall ramp, entrance off of Selby and Finn, the parking meters, or in Lot T with a south campus visitor permit.

Resident students are required to enter a permit lottery in order to be eligible to purchase a parking permit. Resident students are notified of the lottery process from Residence Life Office and the Bulletin.

On the Minneapolis Campus, only ramp and very limited surface parking is available. These parking contracts are only available for full-time faculty, staff, and students. These are available at the Public Safety Office in Opus Hall (MOH 203). Visitors and evening and part-time students are not eligible for a parking contract through the University of St. Thomas. However, they may park at the City of Minneapolis Ramp, 11th Street and Harmon Place. There is a greatly reduced rate for parking in the evening. This ramp also connects to the UST and downtown skyway system.

The university also offers a free shuttle bus service between the Minneapolis and St. Paul campuses. This is available Monday through Friday from 6 a.m. to 11 p.m. Check the Public Safety web page for current schedule information at: <http://www.stthomas.edu/psps/>.

In order to purchase a parking permit, a UST identification card is required. Resident students are required to provide an accurate license plate number of the car. Persons purchasing a parking permit will receive a parking map indicating the lots available for the type of permit purchased, and a book or Web address of rules and regulations regarding parking.

### Chapels

#### Chapel of St. Thomas Aquinas

The present Chapel of St. Thomas Aquinas was built in 1917. E.L. Masqueray, who also designed the St. Paul Cathedral and the Basilica of St. Mary, Minneapolis, was the architect. The university's chapel is an excellent example of the classicized mode of design that emanated from the Ecole des Beaux Arts during the early years of the twentieth century.

The luminous stained glass, designed by Chester Leighton of Minneapolis, and the paintings containing sacred and secular details by Joseph Capocchi and Carl Olson, were installed in the 1940s. The chapel was renovated in 1978 and in 1987, a three-manual 56-rank mechanical action pipe organ, designed and built by Gabriel Kney of London, Ontario, was installed.

The Chapel was renovated again in 2008 by designers Alexander Tylevich and Fr. James Notebaart with the addition of an 11-ft-tall altar crucifix, sanctuary gates, a new altar and ambo.

#### St. Mary's Chapel

St. Mary's Chapel of The Saint Paul Seminary was begun in 1901 and consecrated in 1905. Designed by Minnesota architect Clarence H. Johnston in the basilica style, it blends Romanesque and Byzantine architecture. Artist Bancel LaFarge of New Haven, Connecticut, completed the installation of the stained glass and murals in the 1930s.

The chapel was renovated in 1973, and more extensively in 1988. This project was undertaken with the assistance of liturgical consultant Frank Kacmarcik. A new sanctuary area was created in the north end of the chapel allowing the apse area to become the environment of the baptismal font and new access to the chapel.

In the spring of 2000 a two-manual, 27-rank mechanical action pipe organ designed by Noack Organ Company of Georgetown, Massachusetts, was installed.

#### St. John Vianney Chapel

The university seminary chapel was redesigned in 1998 by the Rev. Peter Christensen, the rector at that time. The theme of the chapel is "The Tree of Life." The chapel, an adjoining Eucharistic chapel, and an adjacent prayer room, replicating a medieval monastic cloister, are open for anyone wishing to use them. The seminary has become a focal point for contemporary religious art, including the iconic triptych in the foyer and the mosaic behind the altar.

A small one-manual Van Daalen organ was moved to the chapel in 2000.

#### Florance Chapel

The Florance Chapel is the lower chapel in the Chapel of St. Thomas Aquinas. An award-winning design in its renovation, it incorporates modern furnishings in the prairie school style of Frank Lloyd Wright along with some of the oldest sacred sculptural artwork owned by the university.

#### St. Thomas More Chapel

Located in the School of Law on the Minneapolis campus, the two-story St. Thomas More Chapel features colored art-glass windows, seating for more than 100 and a striking bronze crucifix. A meditation room overlooking the chapel on the second floor provides a quiet respite and a place for reflection.

## Facilities

### **University Libraries**

The University of St. Thomas libraries contain more than 465,000 book volumes, 2,295 print periodical subscriptions, 5300 videos, and access to over 28,000 electronic journals. In addition, the libraries provide students and faculty with access to nearly 150 electronic databases. #### **O'Shaughnessy-Frey Library**

The O'Shaughnessy-Frey Library Center is the principal library on the main campus, housing (in addition to the general and reference collections) the university Archives and Special Collections Department. The latter contains the Celtic Collection, one of the most outstanding collections of its type in this country, and a notable collection of Hilaire Belloc and G.K. Chesterton. The development of the Information Commons with the addition of 125 public access computers has made the OSF Library a favorite campus location for research and studying.

#### **Charles J. Keffer Library**

The Charles J. Keffer Library, located in Opus Hall on the Minneapolis campus, is the library for the School of Education, graduate programs in the Opus College of Business, and the Graduate School of Professional Psychology. The Keffer Library is the principle library serving the special needs of the graduate student population of the University of St. Thomas

#### **Archbishop Ireland Memorial Library**

The Archbishop Ireland Memorial Library, located on the south campus, is the graduate theological library which primarily serves The Saint Paul Seminary School of Divinity. The Ireland Library collection is highly regarded by theological scholars.

#### **CLIC/MINITEX**

Relationships with two local library networks benefit UST users by providing access to the collections of regional libraries. Cooperating Libraries in Consortium (CLIC) allows students to obtain books and periodical articles from other Twin Cities private academic libraries (Augsburg College, Bethel College, Concordia College, Hamline University, Hamline Law School, Macalester College, Northwestern College, the College of St. Catherine, as well as the University of St. Thomas.) Interlibrary loans for materials not owned by the university are available within the CLIC institutions.

Another cooperative venture, MINITEX (Minnesota Interlibrary Telecommunications Exchange) links the university with more than 200 libraries throughout Minnesota, Wisconsin, and North and South Dakota, including the University of Minnesota.

Interlibrary loan is available and makes possible the borrowing of materials from libraries around the nation and the world.

#### **Library Services**

The library staff offers a wide range of services to support coursework and research. Reference librarians provide individual help as well as classroom instruction in

the use of library materials. Group study rooms are available throughout the libraries.

### **Computing Resources**

There are a wide variety of computing resources available for student use at the University. There are general-purpose labs, which any student can use for coursework or personal use. The Information Commons in O'Shaughnessy-Frey Library on the St Paul Campus and the Charles J. Keffer Library on the Minneapolis Campus house the largest general purpose computing facilities on each campus. The Information Commons brings together support for research, writing, information literacy, and computer application support to assist students in developing papers, presentations, and projects. The Information Commons provide both PC and Macintosh computers, printers, scanners and access to the UST wireless network.

There are also specialized departmental labs which are reserved for students who are enrolled in classes or working on course specific assignments. In addition, there are a number of Residence Hall labs that are open to St. Thomas students who live in the Residence Halls.

The University provides a wireless network. The wireless network is available in all public spaces on the Minneapolis and St Paul Campuses as well as in all of the Residence Halls.

The wireless network is also accessible outdoors on the St Paul campus in the following areas (Note: weather conditions may affect access to the wireless network outdoors):

- Foley Theatre (between Murray-Herrick & Foley), Sabo Plaza (South Campus outside of O'Shaughnessy Science Hall and Owens Science Hall), the Lower Quad (O'Shaughnessy Hall across to O'Shaughnessy-Frey Library), and the Upper Quad (outside of the Residence Halls)

### **The Luann Dummer Center for Women**

The Luann Dummer Center for Women was established in 1993 by a special bequest from the estate of Dr. Luann Dummer, longtime member of the Department of English and founding director of the Women's Studies Program at the university.

The center aims to foster the intellectual, spiritual and personal development of women. The center serves as a meeting place for women to share their expertise and experience and provides opportunities for students to interact with women role models. Although the center is dedicated especially to women, it is committed to the service of the entire campus community within the context of its mission.

The center sponsors a number of grants to support students, faculty and staff. These include a scholarship for a Women's Studies major, research grants for undergraduate and graduate students, professional development grants for staff and faculty, a curriculum development grant, and a leadership award to undergraduate students for participation in programs that will enhance their leadership skills, especially in programs which are directed toward public service.
