

UNIVERSITY *of* ST. THOMAS

Graduate Programs in Software

Information Sessions

Tuesday, September 22, and Wednesday, September 23, 2009

5:30-6:30pm

St. Paul campus

O'Shaughnessy Science Hall, Room 329

Graduate Programs in Software (GPS) offers Master's degrees and Graduate Certificate programs specifically designed for working professionals who are seeking to advance their career or are planning a career change.

Three Master's degrees:

- Master of Science degree in Software Engineering
- Master of Science degree in Software Management
- Master of Software Systems

Four graduate certificates as well as professional development programs.

We will have a short presentation followed by Q&A. Join us at one of the sessions to learn more about our offerings and to meet faculty and staff. Refreshments will be served.

Please RVSP to gradsoftware@stthomas.edu if you plan to attend.

Prefer an individual appointment? Call 651-962-5500 to schedule a one-on-one appointment with a Graduate Programs in Software staff or faculty member at a time that is convenient for you.
