

You are cordially invited to the
11th Annual Actuary Club Career & Internship Fair
at the University of Minnesota

Date: **Tuesday, November 10, 2009**

Time: **1:00pm to 4:00pm**

Location: St. Paul Student Center, North Star Ballroom
(changed from Coffman Union location)

This annual event is a great way to create network opportunities between actuarial students and the business community. We hope to provide a mutually beneficial experience to both students and the business community. Companies from around the Minneapolis and St. Paul metro area, as well as a few from out of state, will be in attendance.

Companies will be searching for students to fill **full-time positions** and/or **internship positions**. Companies will provide information about **actuarial careers** and **what their company has to offer**.

Students should **dress business professionally** and come prepared to market their talents. Bringing several copies of your resume is strongly encouraged. The Fair is of no cost to students.

Any questions concerning the fair can be directed to
