

You are cordially invited to the  
**Tenth Annual Actuary Club Career & Internship Fair**  
at the University of Minnesota

---

**Date: Monday, November 3, 2008**

**Time: 1:00pm to 4:00pm**

**Location: Coffman Memorial Union, Mississippi Room**

This annual event is a great way to create network opportunities between actuarial students and the business community. We hope to provide a mutually beneficial experience to both students and the business community. Companies from around the Minneapolis and St. Paul metro area, as well as a few from out of state, will be in attendance.

Companies will be searching for students to fill **full-time positions** and/or **internship positions**. Companies will provide information about **actuarial careers** and **what their company has to offer**.

Students should **dress business professionally** and come prepared to market their talents. Bringing several copies of your resume is strongly encouraged. The Fair is of no cost to students.
