University of St. Thomas  
Master of Arts in Art History  

Internship - Student Evaluation Form

Internship description

Instructor/Supervisor _______________ Date _______________

Please use this form to evaluate the graduate internship in which you have been enrolled this semester.

1. What was your purpose in taking on this internship project?

2. Did your experience in the internship meet your expectations?
   Yes ____ No ____ Comments:

3. Please comment on the quality of mentorship/direction with this project.
   Instructor was well organized.
   Instructor’s communication was clear and she/he adequately directed the intern.
   Instructor was able to adapt to intern’s need for direction/instruction.
   Instructor allowed intern to carry on independently with majority of internship work.

(over)
4. Did the amount of work required come up to / exceed your expectations for a graduate level internship? Comments:

5. Were the timelines and deadlines appropriate for the project? Were they adhered to?

6. In hindsight, what changes would you make in the pre-project contract that was developed (between intern and instructor) prior to the start of this project?

7. Please comment on the value of your internship to you as a graduate art history student.

8. Please make any additional comments/suggestions you might have.

NOTE: We appreciate you taking the time to respond to the above questions. Your evaluation of this internship is very important to us. THANK YOU.
