Site supervisor name: ____________________________ Organization: ____________________________
Student name: ____________________________ Date: ____________________________

1. Evaluate the intern’s personal and vocational skills and abilities (rate from 1-5: 1—exceptional to 5—
   needs more work)
   a. ___ asks appropriate questions  
   b. ___ shows initiative  
   c. ___ accepts constructive feedback  
   d. ___ is punctual and reliable  
   e. ___ has good verbal communication skills  
   f. ___ manages time well  
   g. ___ is able to work effectively with others  
   h. ___ can work independently  
   i. ___ practices good problem-solving skills  
   j. ___ shows commitment to justice & peace

2. Revisit the learning goals that the intern developed for the internship. How well you think he or she has
   progressed toward realizing those goals?

3. What difficulties are you encountering with the internship? Is there something that the student or the UST
   internship supervisor could do differently to help make the internship a success?
