UST Library Subject Guides

Library Subject Guides are web pages created by our liaison librarians to highlight quality research sources within an academic discipline or for a specific course. The pages are created on a content management system called “Libguides.”

Sample guide page:

Find the guides via the Subject Guides link on the Libraries home page:

Here's a direct link to the guides: [http://libguides.stthomas.edu/index.php](http://libguides.stthomas.edu/index.php)

Adding a Subject Guide to your Blackboard Course: [http://libguides.stthomas.edu/blackboard_addguide](http://libguides.stthomas.edu/blackboard_addguide)

Adding a Librarian to your Blackboard Course: [http://libguides.stthomas.edu/blackboard_addlibrarian](http://libguides.stthomas.edu/blackboard_addlibrarian)
