WHAT IS YOUR LOVE LANGUAGE?

The Five Love Languages

Love is in the air! Valentine’s Day is celebrated on February 14th in the United States. It is a day to when people come together to celebrate love and friendship. Have you ever wondered what your love language is?

Gary Chapman developed the 5 Languages of Love to help people discover their preference for emotional expression and communication. Understanding your love language can also improve your ability to connect with others in both romantic and non-romantic relationships. Want to find out your love language? Check out this Tommie Media article and/or take the quiz here.
