For crime reporting purposes, only one statistical category can be scored for incidents involving combined violations of liquor law, drug laws, and weapons law violations. Therefore, to be consistent with past practice Public Safety first scores weapons law violations, then drug law violations, and then liquor law violations.

**Key:**
- OC = On Campus
- RF = Residential Facility
- NC = Noncampus Building or Property
- PP = Public Property
- LLV = Liquor Law Violation
- DLV = Drug Law Violation
- WLV = Weapon Law Violation

Disposition – unfounded, open, closed, closed pending further information (CPFI), criminal arrest, and judicial referral
