2015 Move-In Information for Returning Students

Over 1,300 first-year students will be moving in to the residence halls on Saturday, September 5. As a result, students returning to the residence halls are allowed to move in starting Sunday, September 6 following the directions below.

Sunday, September 6 and Monday, September 7
Check-in and Key Pick-Up

All returning students will check-in and get their keys at their building by following the posted signs and directions upon arrival. Locations will be clearly marked upon your arrival to your building. Times for check-in should be between 8:00 a.m. and 8:00 p.m.

Team Sullivan (Move-In Crew)

Looking to move in early?

Team Sullivan is still looking for volunteers to help the first-year students move in on Saturday, September 5. Members of the crew are allowed to move in on Friday, September 4. Look at your UST email to find directions on how to sign up. Confirmation emails will be sent the third week of August.

Checklist for Arrival to Campus

Please make sure the following items are fulfilled to be able to move on to campus:

- Remember your UST ID Card. You cannot access buildings without it. If you have lost your ID Card, you will need to go to the Card Office to have it replaced.
- You must be registered for 12 credits. Students under 12 credits will not be allowed to check into their building or obtain a room key and card access will not be activated to your building.
- Students without North Campus Parking permits will be allowed to unload vehicles for 30 minutes before needing to move vehicles to the Anderson Parking Facility on South Campus.
- Double check your room assignment. Particularly for students living in apartments, you will be issued a key for the bedroom designated on the student housing system. If this is incorrect, please contact us immediately or you will have to wait until all students arrive before being able to change within an apartment.
- Check your meal plan. If you want to change your meal plan you may do this in Murphy using the Student Housing System. Changes lowering a meal plan may be made through the 2nd Friday of fall semester.

Flynn, Morrison, CDC, 2085 Grand, and 2151 Grand Residents ...

Bring Your Own Phone and shower curtains!

Residents of Flynn, Morrison, 2151 Grand, 2085 Grand, and the Child Development Center will need to bring their own phone and shower curtains as they are not provided by the university. Residents may bring any phone, including those with caller I.D. screens that are similar to home telephones. If you choose to bring a cordless unit, we recommend using 5.8 GHz phones over 2.4 GHz as 2.4 GHz could experience interference with other electronic devices in the building. Remember voicemail is provided for every student and is included in your room rate.

Desk Chairs in Morrison and Flynn

Desk chairs are not automatically provided in Flynn and Morrison apartments. The reason for this is a large majority of our students were bringing their own desk chairs. If you would like a desk chair from the university, please contact your area director upon arrival to your building.
