Welcome to your first year at St. Thomas and to your residence hall. A group of St. Thomas volunteers called "Team Sullivan" will be waiting in the parking lots to help you unload your vehicle and bring your belongings to your room. Please know that you and family members will still be moving items, but Team Sullivan is here to assist. We discourage the use of rental-style trucks and trailers as there is no access to the drop-off locations and limited access to parking. If it's raining, please consider bringing a tarp to cover your belongings.
