How to Use the Symplicity Resource Library

The Symplicity Resource Library is a searchable database for handouts, guides, handbooks, and examples designed to help you find and land your next job.

The Resource Library is separated into ten resource types. Click on the dropdown menu and select which of the following types you would like to view.

- Cover Letters
- Interview Skills
- Job Search Tools
- Networking
- Professional Development
- References
- Resumes
- Transcripts
- UST Law Library Career & Professional Development Resources for Law Students
- Writing Samples

To assist you in finding the resources you need, each of the documents stored in the Resource Library has been tagged to help you sort the documents based on your needs. Click on the Tags menu on the right to further define your search.

For example, if you want to find all of our resources that are relevant for on-campus interviews you can search using the on-campus interview tag and it will pull up all of the documents that will be helpful to you as you prepare for on-campus interviews.
