The 350.org founder, acclaimed author, and one of America’s most famous environmental leaders is coming to campus!

Bill McKibben will present *Celebrating and Preserving Winter*, a call to action to slow climate change. Learn how you can protect the season that defines MN!

Join Bill and Cool Planet in building a climate solutions movement. Have fun, make a difference!

**2/20:** 7-9 pm, doors open at 6 pm @ University of Saint Thomas, Anderson Student Center, Woulfe Hall

**2/21:** 12-2:30 pm @ Macalester College, Weyerhaeuser Chapel
  - Presentation (12-1) and audience participation (1-2:30)
