

UNIVERSITY OF ST. THOMAS DEPARTMENT OF PUBLIC SAFETY

PUBLIC SAFETY ALERT – SEPTEMBER 9, 2008

ALERT:

Critical / Major Incident

ADVISORY:

Important Incident

BULLETIN:

General Information

Public Safety would like to alert the University of St. Thomas community of an attempted robbery and assault that occurred off campus.

On 09/07/2008, at 01:46 AM, a UST student reported her non-UST affiliated friend was alone in front of the apartment complex located at 2100 Grand Avenue having a cigarette when he was struck in the back of the head by an unidentified male suspect. The student reported her friend was knocked to the ground, and the suspect began going through his pockets. The suspect, who did not find any property on the friend, then fled south on Grand Avenue.

The student said her friend then came into the apartment building and reported the incident to the St. Paul Police Department.

The student described the suspect as a black male, college aged, approximately 6' tall, heavy build, with short black hair, wearing a black-hooded sweatshirt with a white graphic, dark jeans, and black high-top shoes.

The University of St. Thomas believes that descriptors alone are not a valid reason to profile or cast suspicion on any individual. They are included here because they may reasonably assist in identifying the perpetrators of this incident.

Anyone with information regarding these crimes is urged to call the St. Paul Police Department at (651) 291-1111, or Public Safety at (651) 962-5100.

**Report crime confidentially or anonymously:
by e-mailing PSTIPS@stthomas.edu,
or calling 96(2-TIPS).**

Crime prevention tips:

- Call Public Safety to escort you to your destination.
- Report crimes immediately to Public Safety and the St. Paul Police Department.
- Do not wear earphones when walking or running alone outside, especially if it is dark. This potentially cuts off audible signals of threats to your safety.
- Walk in groups – there is safety in numbers.
- Don't take unnecessary risks. Stay in populated, well-lit areas.
- Remember suspect information, including direction of travel, vehicle information, approximate age, height, weight and details on hair, clothing, jewelry, scars, tattoos – anything noticeable.
- Use a buddy system with your trusted friends to watch out for one another.

If you have information regarding crimes on campus you are urged to contact
