

Initial systems that will be synchronized

- Blackboard
- Outlook - Exchange
- Workstations – PC's
- SunRay Terminasl
- Congnos
- RMS
- Breeze

Followed later by

- Banner Self Service
- Banner INB

Implementation Schedule

As of end of May

- Tech Desk began using NetID for Password changes
- New accounts are created in new format "abcd1234"
- Claim Code is needed for new accounts that are created
- Tech Desk will be first implementers on NetID system followed by all of IRT

Currently

IRT is monitoring process closely

As passwords expire (120 days) we will move to the new system

Add text to password page to go to NetID **after** the password change to set up;

- Challenge/Response questions
- 3rd party email
- Alias – F/S only

End of July

At Orientation and Registration sessions students are introduced to NetID.

October

Move to NetID – old process goes away

Claim Code Location;

ST – SABSUPL_INST_DATA20 (student) –
Banner Form – SOASUPL

HR – PPRCERT_CERT_NO, a code is required in PERCERT_CERT_CODE
(code 'EMAL")
Banner Form - PPACERT
