

University St Thomas - NetID Deprovisioning Process - Student

Begin: Student or Recruit record no longer active and no FAC or STAFF NetID Role

End: Account is purged from Active Directory, Sun Directory, Oracle Internet Directory

Effective: August 5, 2008

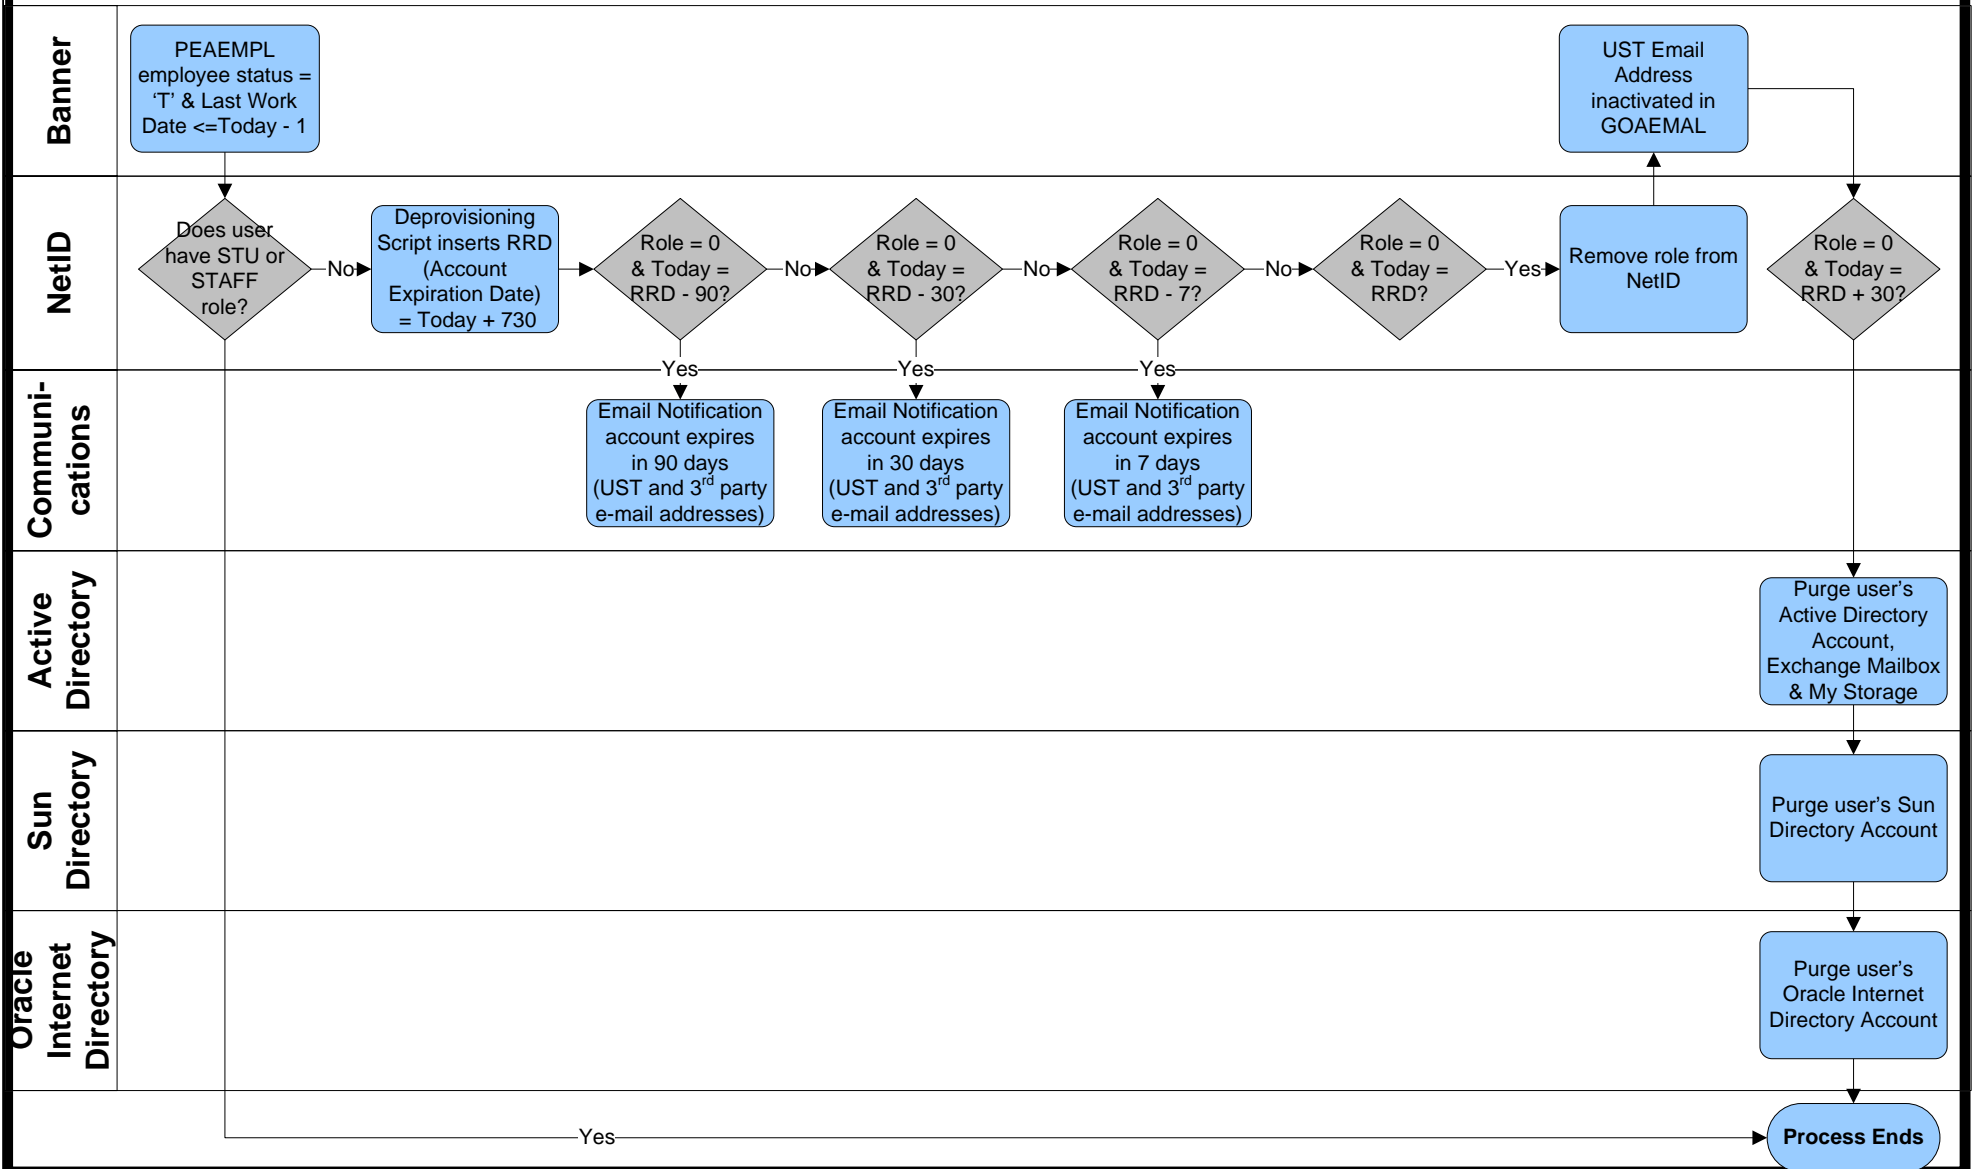

University St Thomas - NetID Deprovisioning Process - Faculty

Begin: PEAEMPL Employment Status no longer 'Active' and no STU or STAFF NetID Role

End: Account is purged from Active Directory, Sun Directory, Oracle Internet Directory

Effective: August 5, 2008

If banner sends new role (i.e. user goes active again) during the process, the RRD is removed – stopping deprovisioning process.
