

Audit Registration Form

A student may choose to audit a course rather than take it for credit. If attendance is satisfactory, the course number, title, and the audit designation will appear on the transcript. If attendance is not satisfactory, the course will not appear on the transcript. In no case may a student receive credit for a course that was audited, unless the course is retaken for credit. [Effective J-Term 2010, an instructor or Dept Chair approval is required to Audit any course.]*

Students who change their grading option from grade to audit after the 14th calendar day of the term will not receive a tuition reduction; however, students who change from audit to grade will be charged the full tuition for that course. The fee for an audit may be found at www.stthomas.edu/businessoffice or by contacting the Business Office at (651) 962-6600.

Students may not switch from credit status to audit status after the last day to withdraw from a class without a grade of F. Students may not switch from audit status to credit status after the last day to register or add a class.
