University of St. Thomas
OWS 390
2115 Summit Avenue
St. Paul, MN 55105-1080

Application Deadline: Dec. 1, 2009 (postmarked)

University of St. Thomas

Science, Mathematics and Engineering Scholarship Program

The University of St. Thomas in St. Paul, Minn., will offer two full-tuition scholarships and two \$8,000 scholarships to top candidates who intend to pursue degrees in the sciences, mathematics or engineering starting in fall 2010.

Eligibility:

- Applicants must be U.S. citizens, permanent residents or eligible non-citizens.
- Applicants must be high school seniors during the 2009-2010 school year.
- Applicants must submit (by Dec. 1, 2009) a completed application to enroll as an undergraduate at St. Thomas.

Requirements for Renewal:

- Scholarship recipients must major in one of the following undergraduate academic areas at St. Thomas: actuarial science, biology, biochemistry, chemistry, computer information sciences, engineering, environmental science, geology, mathematics, neurobiology, or physics.
- Recipients must maintain a 3.5 grade-point average. Scholarships may be renewed for three years.

Scholarship Day:

Selected applicants and their parents will be invited to St. Thomas on Scholarship Day, Saturday, Jan. 9, 2010, for an open house in the Frey Science and Engineering Center, to meet faculty and staff and to take tests in mathematics and the natural sciences.
