

UNIVERSITY of ST. THOMAS

## Travel Clinic

### Fees & Insurance

The cost of the visit to the UST Travel Clinic is based on the relative complexity of your itinerary, medical condition, immunizations needed and documentation required. The UST Travel Clinic at Student Health Service is a fee for service clinic that will bill your health insurance company for services received with any remaining balance billed to the student's account or responsible party.

### Immunization Fees

|                                |        |
