

Card Office FAQs

1. What is eXpress and how do I get it?

eXpress is a declining balance account available to all students. Students may deposit funds into their eXpress account at any time by using the Bill Me option, which charges the amount to their student account, or with a credit card. If using a credit card, students will receive a 5% bonus at the time of deposit. Funds may be added to your eXpress account through [CardCenter](#).

2. Where can I use eXpress?

eXpress funds may be used anywhere on campus (campus bookstore, Tommie Shop, select vending machines, all on-campus dining locations) and at 26 different businesses off-campus in the surrounding neighborhood. A list of our eXpress partners is available on the free app for your phone, GET Mobile (available for iPhone and Android), and on the [Card Office webpage](#).

3. What can I purchase with eXpress?

eXpress may be used to purchase anything except alcohol, tobacco or gift cards. It's just like using a debit or credit card without having to carry one.

4. What is the difference between eXpress and dining dollars?

Dining dollars come with your meal plan and can be used at any on-campus dining locations for food only. The amount of dining dollars is based on the meal plan purchased; additional dining dollars cannot be added. Dining dollars expire at the end of the semester.

eXpress funds do not expire; they carry over from semester to semester and year to year, and students (or family) may add additional eXpress funds at any time. eXpress funds can be used anywhere on campus and at any of our off-campus partners for anything except alcohol, tobacco or gift cards.

	eXpress	Dining Dollars
