## PARKING REGULATIONS AND ENFORCEMENT

Parking on campus is a privilege, not a right. The privilege may be revoked for continued or gross violations of parking regulations. The university reserves the right to ticket, tow and immobilize, at the owner's expense, any vehicle that is parked on campus in violation of any rule. Permits are required in surface lots from 6 p.m. Sunday until 10 p.m. Friday, with the exception of restricted lots (marked with a purple dot) where special permits are required at all times. All other parking regulations are enforced 24 hours per day, seven days per week. St. Thomas students, faculty and staff are responsible for understanding and complying with the parking policies, procedures and regulations established by the university. This information is available online at [stthomas.edu/parking/](https://stthomas.edu/parking/).
