### ////// Panel, Lab Tour and Demonstration

- Hear current student insights about their experiences in the program and at St. Thomas
- Join a guided tour of the Center for Simulation where students gain hands-on clinical experience
- Observe a student-led lab demonstration using high-fidelity equipment

### ////// Open House and Campus Tour

- Meet representatives from staff departments including Admissions, Financial Aid, and the Aquinas Scholars Honors program
- Take a campus tour with a current St. Thomas student
