BS Electrical Engineering – University of St. Thomas Anoka-Ramsey Community College Plus 2.5 Plan of Study

Students are not required to complete all the coursework on page 1 before transferring to the University of St. Thomas. We invite prospective students to tour the school of engineering and meet with faculty and financial aid staff to determine the best time for their transfer.

However, if a student does complete all the coursework on page 1, the remaining courses at the University of St. Thomas would require 2 ½ years of full-time study. Courses are listed below, and a sample 2 ½-year plan of study is provided on page 3.
