

Ramp Voucher Instructions

Warning: PROXIMITY TO MAGNETS MAY DAMAGE THE VOUCHER. Magnets are located in many places we don't think of: money clips, purse closures, cell phone cases, etc.

Visitor parking is not available before 4:00 pm, Mon- Fri, in the McNeely & ASC garages.

1. When entering the ramp, press button to take a ticket. This will lift the gate and allow access to the ramp. If there is a sign covering the ticket dispenser, raise the sign and press the button.
2. Proceed to the exit gate.
3. Insert the ticket you pulled when you entered the ramp. The total amount owed will be displayed.
4. Insert the appropriate amount of ramp vouchers into the machine. (The value of the voucher is printed on the bottom left corner)
5. When the appropriate amount is inserted into the pay station, the gate will rise.
