BULLETIN:
General Information

The Department of Public Safety would like to inform the St. Thomas community of expected delays in the St. Thomas shuttle service between the Minneapolis and St. Paul Campuses.

The delays are due to the 11th Street exit in Minneapolis being closed for construction. The closer is expected to be for at least 3 months. The St. Thomas shuttle is using alternate routes which may cause delays. The St. Thomas shuttle is expected to be delayed by 20 minutes today due to traffic.

We ask the St. Thomas community to plan accordingly and to expect possible delays in service.
