# SUPPORTING DATA\*

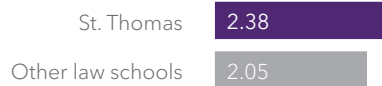

3L students rating their overall experience at St. Thomas as "excellent" or "good."

98%

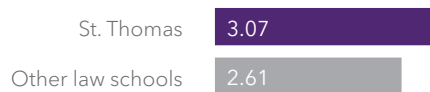

To what extent does your law school emphasize providing the support you need to help you succeed academically?

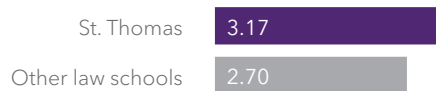

To what extent does your law school emphasize helping you cope with your nonacademic responsibilities (work, family, etc.)?

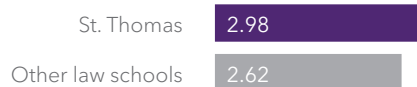

To what extent does your law school emphasize providing the support you need to succeed in your employment?

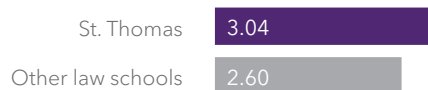

To what extent has your experience at your law school contributed to your knowledge, skills and personal development in developing a personal code of values and ethics?

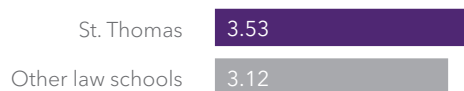

To what extent has your experience at your law school contributed to your knowledge, skills and personal development in developing clear career goals?

To what extent has your experience at your law school contributed to your knowledge, skills and personal development in contributing to the welfare of your community?

If you could start all over again, would you go to the same law school you are now attending?

\* Statements based on data from the 2018 Law School Survey of Student Engagement. The selected data here reveal that, to a statistically significant degree, students at the University of St. Thomas School of Law indicated they are more satisfied with key dimensions of their law school experience than students at other law schools. Scores based on a 1-4 Likert scale.
