2017-2018 Transfer Course Guide

The University of St. Thomas evaluates incoming credits on a course-by-course basis. The Minnesota Transfer Curriculum (MnTC) or an Associate's degree do not directly fulfill our general education requirements. Minnesota Transfer Curriculum and Associate's Degree

The Minnesota Transfer Curriculum meets the general education requirements for all public universities and colleges in Minnesota. To complete the MnTC, students must satisfy the requirements of each of the 10 goal areas with a minimum of 40 credits, at least 14 of which must be completed at St. Cloud Tech. (Note that some courses will count towards more than one goal, but the number of credits for those courses will only be counted once.)

The Associate's degree includes the MnTC, one Health course, one Exercise Science course, and electives in college-level courses. A total of 60 credits are required for the Associate's, at least 20 of which must be completed at St. Cloud Tech. Students must earn a minimum of a 2.0 cumulative GPA on both the MnTC courses and the AA courses in order to graduate. A graduation application should be completed during the last semester of courses.

Notes

Students will be required to fulfill general education requirements as published in the catalog of the year they enroll at the University of St. Thomas.

Only coursework in which the student earned a grade of C- or higher from a regionally accredited college/university will be recognized for credit at St. Thomas.

St. Thomas requires 84 credits outside the major department (76 credits for business majors), and a total of 132 credits for graduation. Students must complete 32 of their last 36 credits at St. Thomas, as stated in the Senior Residency Requirement.

Online courses are evaluated on a case-by-case basis. Students should submit syllabi of online courses to St. Thomas Admissions for review. Please note that some departments do not accept online courses in satisfaction of core or major requirements. Also, current UST students seeking an off-campus transfer equivalent should consult with the appropriate St. Thomas department before enrolling in an off-campus course.

Appealing courses: The courses listed in this guide are not necessarily the only courses that will fulfill requirements at St. Thomas. You may appeal courses that aren't listed here by submitting the course syllabi for faculty review. Please contact your Transfer Admissions Counselor to begin this process.
